LIGHT STEEL FRAME
ASSOCIATION

CERTIFICATE OF MEMBERSHIP

Member

Frameclad SFS

Membership number: 040
Valid until: 31st December 2025

The LIGHT STEEL FRAME ASSOCIATION (LSFA) has been established to influence legislation, regulation and to support the overall objectives and growth of the steel framing sector.

Our aim is to raise the profile of our members while also promoting the use of steel frame technologies as an essential, sustainable construction material.

DARREN RICHARDS
Interim Steering Group Chair
Light Steel Frame Association
